Dear

STAT

It is my understanding that the IAC controls distribution of RIR-2, a study apparently containing information pertinent to the attitude of the Chinese people toward the Peiping regime.

The Office of Research and Intelligence, USIA, has seen OIR's contribution to RIR-2 and is desirous of obtaining the full report.

Would you please authorize distribution of four copies of RIR-2 to the following address:

United States Information Agency
Office of Research and Intelligence
1734 New York Avenue, NW
Attention: IRI/C

Yours truly,

Edward J. Carroll
Chief
Collection and Liaison Division

The Intelligence Advisory Committee
